Dear Sir/Madam

Filey Bandstand Sponsorship

You may be aware that the Bandstand in Crescent Gardens, Filey is now being managed by Filey Town Council following a partnership arrangement with the Filey Rotary Club who originally built the Bandstand and Scarborough Borough Council as the landowner. A management committee has been set up under the Town Council with representation from the above organisations with the remit of managing the facility and increasing its usage for the benefit and safety of all users.

The Town Council will continue to fund and provide a 10 week Sunday Band Concert Programme during the summer months, however as the Bandstand is one of Filey's best assets the management committee are encouraging more use of the Bandstand for musical performances or similar, to try and extend the visitor season which would benefit the local economy and increase tourism in the town. The Bandstand Management Committee has agreed that the Bandstand may be used free of charge by Local Groups and Organisations who are fundraising to benefit Filey causes.

The Bandstand Management Committee are now seeking sponsorship from local businesses and groups and organisations to be able to properly maintain and market this excellent facility for future use and we would like you to consider becoming a 'Filey Bandstand Business Sponsor' at a nominal donation of £25 per annum (Business) or a Bandstand Supporter at £10 per annum (Individual). As a reciprocal gesture all business sponsors will be recognised on the Sunday Band Concert Programme, Filey Town Council website with a direct link to your own business website and any advertising material for musical events.

I sincerely hope that you will give your consideration to supporting the Filey Bandstand and becoming a business sponsor or individual supporter and if you wish to do so please complete the attached slip and return to the Town Council as soon as possible together with your donation.

Yours faithfully

Cllr John B Casey
